

Circle of Friends

Come join us in our circle of friends.
There's always room for one more.
A circle that never ends,
All you do is open up the door.

*Come join us now
Room for one more
It never ends,
Open up the door*

Have you ever been left out,
Have you felt alone,
Have you ever needed
A friend to call your own.
There is someone out there,
Who's feeling just like you,
Open up your circle,
That's all you've got to do.

*Left out
Felt alone...
Friend to call your own...
Out there...
Just like you
All you've got to do*

Come join us in our circle of friends.

There's always room for one more.
A circle that never ends,
All you do is open up the door.

When you're on the outside.
And you're looking in.
Life can seem so empty,
when you don't fit in.

*Outside
Looking in
when you don't fit in.*

There is someone out there,
Who's feeling just like you,
Open up your circle,
That's all you have to do.

*Out there
Just like you...
All you've got to do.*

Come join us in our circle of friends.
There's always room for one more.
A circle that never ends,
All you do is open up the door.

Come join us in our circle of friends.
There's always room for one more.
A circle that never ends,
All you do is open up the door.

Blow Bugle Blow

THE splendour falls on castle walls
And snowy summits old in story:
The long light shakes across the lakes,
And the wild cataract leaps in glory.
Blow, bugle, blow, set the wild echoes
flying,
And answer, echoes answer dying, dying.

*Blow bugle blow.....set the wild echoes
flying.....*

*.....And answer, echoes answer
dying, dying.*

O hark, O hear! how thin and clear,
And thinner, clearer, farther going!

*O sweet and far from cliff and scar
hear the echoes of horns faintly blowing.*

Blow, bugle, blow, set the wild echoes
flying,
And answer, echoes answer dying, dying.

*.....And answer, echoes answer
dying, dying.*

But though they die in yon rich sky,
They faint on hill or field or river:
Our echoes roll from soul to soul,
And grow for ever and for ever.

*But though they die in yon rich sky,
They faint on hill or field or river:
Our echoes roll from soul to soul,
And grow for ever and for ever.*

Blow, bugle, blow, set the wild echoes fly-
ing, flying, And answer, echoes, answer,
dying, dying, Blow bugle blow set the wild
echoes flying flying. And answer, echoes,
answer, dying, dying, (4 bars rest)
Echoes flying, dying, dying, dying....

*.....Blow bugle blow, set the wild echoes
flying.*

*.....And answer, echoes answer dying,
dying. Blow bugle blow, set the wild echoes
flying, flying. And answer echoes answer
dying, dying....(3 bars rest)
Echoes flying, dying, dying, dying....*

SOLO BEGINS AT BAR 59

And answer, echoes, answer, dying, dying,
Blow, bugle, blow, set the wild echoes flying, flying,
And answer, echoes, answer, dying, dying, (5 bars rest)
Echoes flying, dying, dying, dying....

Count On Me

Uh -um....

If you ever find yourself stuck in the middle of the sea,
I'll sail the world to find you
If you ever find yourself lost in the dark and you can't see,
I'll be the light to guide you

CHORUS

*To find out what we're made of
When we are called to help our friends in need*

*You can count on me like 1 2 3
And I'll be there
And I know when I need it I can count on you like 4 3 2
And you'll be there
Cause that's what friends are supposed to do, oh yeah
Ooooh Ooooh ooooh yeah yeah*

If you're tossin' and yo're turnin' and you just can't fall asleep *(Pt2- regular chorus)*
I'll sing a song, beside you
And if you ever forget how much you really mean to me
Everyday I will, remind you

CHORUS

You'll always have my shoulder when you cry
I'll never let go Never say goodbye
You know you can

Count on me like 1 2 3
and I'll be there
And I know when I need it I can count on you like 4 3 2
You'll be there
Cause that's what friends are supposed to do, oh yeah
Ooooh ooh ooh
you can count on me cos' I can count on you

And when the lights all shine,

Don't Forget These Smiles

Written by Ben Swain 2011

V1

Sometimes things seem to drag on
Sometimes you won't realise how much that you
belong

Then you get on with your life
And just forget about the cherished years and
cherished times

.....Seem to drag on

*Then you get on with your life...get
on with your life*

Chorus

It's a mystery that we could be so tight
Hope you remember planted seeds that grow
towards the sky
I don't think that you will ever forget all these
smiles
Hope I see you 'round some time

*It's a mystery that we could be so
tight
Hope you remember planted seeds
that grow towards the sky
I don't think that you will ever
forget all these smiles
Hope I see you 'round some time*

V2

I can pick you in the crowd
Never had a moment when we all could feel so
proud
Didn't think we'd get this far
Laughed and cried so much but look now here
we are

...pick you in the crowd

*Didn't think we'd get this far, think
we'd get this far.*

Chorus

It's a mystery that we could be so tight
Hope you remember planted seeds that grow
towards the sky
I don't think that you will ever forget all these
smiles
Hope I see you 'round some time

*It's a mystery that we could be so
tight
Hope you remember planted seeds
that grow towards the sky
I don't think that you will ever
forget all these smiles
Hope I see you 'round some time*

Hope I see you 'round some,
I hope I see you 'round some,
I hope I see you 'round some time.

*Hope I see you 'round some,
I hope I see you 'round some,
I hope I see you 'round some time.*

Goodbye Beethoven

© Carmel Charlton

Chorus **Goodbye Beethoven, I'll see you in the Spring**
I know that you're a genius but I just want to sing
A country song, it can't be wrong
Though your symphonies are very nice
They're about an hour too long

Verse 1 First you've got the exposition
And you think you know the scheme
But just to throw you off the track
He adds an extra theme
Then comes the development
Of what has gone before
I try to listen very hard
But I can't take anymore

Chorus

Verse 2 Well you think that it's all over
'Cause the orchestra's so quiet
Then suddenly they play so loud
That you nearly die with fright
The recapitulation means
The end is getting near
But wait, here comes the coda
And now he's in top gear

Chorus

Instrumental Bridge

Why We Sing!

A sound of hope,
A sound of peace
A sound that celebrates and speaks what we believe.

A sound of love
A sound so strong
It's amazing what is given when we share a song

CHORUS

This is why we sing,
Why we lift our voice,
Why we stand as one in harmony...
This is why we sing,
Why we lift our voice,
Take my hand and sing with me...

Soothe a soul,
Mend a heart,
Bring together lives that have been torn apart..
Share the joy,
Find a friend,
It's a never ending gift that circles back again...

CHORUS

Music builds a bridge,
It can tear down a wall.
Music is a language that can speak to one and all...

CHORUS

ENDING

This is why we sing.
This is why we sing.
Why we sing.....

*A sound of love
A sound so strong

Shout!

Well.....You know you make me wanna shout!
Look my hand's jumpin'
Look my heart's bumpin'
Throw my head back,
Come on now...
Don't forget to say you will,
don't forget to shout yeah, yeah..
Throw your head back,
Come on now.
Throw your head back, ooh.
Come on now.

Say that you love me, say that you need me,
Say that you want me, you wanna please me.
Come on now, come on now, come on now...

I still remember,
When I used to be nine years old
I was a fool for you
From the bottom of my soul...
Now that I'm old enough, Enough to know
You wanna meet me, You wanna tell me so.

I want you to know, I want you to know right now
You've been good to me baby
Better than I've been to myself
And if you ever leave me, I don't want nobody
else.
I said I want to you know, I want you to know
right now.

You know you make me wanna shout!
Look my hand's jumpin', Look my heart's bumpin'
Throw my head back, Come on now...
Don't forget to say you will,
don't forget to shout yeah, yeah, yeah yeah..
Come on now, come on now,
Throw your head back, Oooh!

Hey....hey...he--ey...he--ey.
A little bit softer now (x6)
Alittle bit louder now (x6)
Shout! Well I feel a....ll right....!

Shout.....shout!
(x4)

...say you will
Say you will
Say you will
Say you will

Say it! Say it!
Say it! Say it!
Say it! Say it! Say it!

Shoobie do wop do wop do wop wop
(x8)

Want you to know..want you to
know...you've been so good
...been to myself.
If you ever leave...
Nobody else
Want you to know
Want you to know...

Shout.....shout! (x3)

Shout.....shout shout shout shout
Shout.....shout shout shout shout
Shout.....shout shout shout shout
Oooh!

Hey....hey...he--ey...he--ey.
A little bit softer now (x6)
Alittle bit louder now (x6)
Shout! Well I feel a....ll right....!

Born This Way

My mama told me when I was young, We are all born superstars
She rolled my hair and put my lipstick on, In the glass of her boudoir

"There's nothing wrong with loving who you are"
She said, "'Cause he made you perfect, babe"
"So hold your head up girl and you'll go far, Listen to me when I say"

[Chorus:]

I'm beautiful in my way, 'Cause God makes no mistakes
I'm on the right track, baby, I was born this way
Don't hide yourself in regret, Just love yourself and you're set
I'm on the right track, baby, I was born this way (*born this way*)
Ooh there ain't no other way, Baby I was born this way
Baby I was born this way (*Born this way*)
Ooh there ain't no other way, Baby I was born this way
Right track, baby, I was born this way

Don't be a drag – just be a queen [x3] Don't be!

Give yourself prudence And love your friends
Subway kid, rejoice your truth
In the religion of the insecure, I must be myself, respect my youth
Love one another, it's not a sin, Believe capital H-I-M (Hey hey hey)
I love my life I love this record and Mi amore vole fe yah
(Chorus)

[Bridge:]

Don't be a drag, just be a queen, Whether you're broke or evergreen
You're black, white, beige, chola descent, You're Lebanese, you're orient
Whether life's disabilities, Left you outcast, bullied, or teased
Rejoice and love yourself today, 'cause baby you were born this way

No matter where you abide, there is no reason to hide,
I'm on the right track baby, I was born to survive.
No matter black, white or beige, Chola or orient made,
I'm on the right track baby, I was born to be brave.

(Chorus)

I was born this way hey! I was born this way hey!
I'm on the right track baby I was born this way hey! (repeat)
